

SAFER and SUPERIOR

A Safer and Powerfully Effective Industrial Strength Cleaner and Degreaser!

Versatile: Replaces Many Products in Many Applications

PRODUCT INFORMATION SHEE

- Maximum Certifications & Registrations
- Concentrated "Green" Thinking In Industrial Strength

Versatile: Replaces Many Products in Many Applications

- Superior Soil Suspension Shown by Independent Laboratory Tests
- ✓ Versatile Use On Virtually Any Surface To Clean Most Soils
- Especially Effective on Common Kitchen Soils and Surfaces
- Low Foaming and Can Be Used With Any Cleaning Equipment
- ✓ Leaves No Tacky Or White Residue

Maximum Certifications & Registrations

- ✓ DfE
- Kosher
- Green Seal

- ✓ GECA
- ✓ EcoLogo
- Peta

- Replaces Many Products with Versatility
- Worry Free Use: No VOCs, No Odor Complaints, Etc.
- Concentrated with Lean Dilutions To Save Overall Resources

Key Benefits

- No VOCs
- Versatile: Use in all degreaser applications
- Safer use and disposal
- Low foam cleaning in any equipment
- Certified as safer by 4 major certifiers

Product Description: Green Concepts ⑬ Cleaner & Degreaser is a versatile, heavy duty cleaner and degreaser formulated for the safer and more powerful cleaning of grease, oil from kitchen floors and other heavy soiling from hard surfaces. The Green Concepts (13) can be used with a mop, spray & wipe, floor equipment, pressure washers, etc.

Product Applications: Green Concepts is safer to use on concrete, terrazzo, quarry tiles, plastics, ceramics, rubber, glass, enamel, Formica, stainless steel, painted, varnished and other surfaces. The Green Concepts 13 is particularly effective in removing rubber tire marks and other hard to remove stains without affecting the underlying surface coating.

Use Dilutions

Suggested Dilution Ratios in Cold Water

Light Soil - 1:128 - 1 oz per gallon (8 ml per Liter) Moderate Soil - 1:64 - 2 oz per gallon (16 ml per Liter) Heavy Soil - 1:43 - 3 oz per gallon (23 ml per Liter)

Light Soil - 1:43 - 3 oz per gallon (23 ml per Liter) Moderate Soil - 1:21 - 6 oz per gallon (47 ml per Liter) Heavy Soil - 1:12 - 10 oz per gallon (78 ml per Liter)

Specifications

AppearanceGreen liquid
