# Tweraser green concepts® 25 restroom cleaner

## Key Benefits

- ✓ One product for the whole restroom
- ✓ Easy rinse without tacky residue
- ✓ Multiple certifications create user confidence
- ✓ Use with any cleaning methods and equipment
- ✓ Certified as safer by 4 major certifiers

**Product Description:** Green Concepts 25 Restroom Cleaner is the result of a unique blend of surfactants and water conditioners. The RC creates a high foam, which clings to the surface to maximize the removal of mold, mildew, soap scum and hard water deposits from tile, painted surfaces and fixtures, with minimum effort. Green Concepts 25 rinses easily from surfaces leaving a clean and sparkling finish.

**Product Applications:** Green Concepts 25 can be applied manually or in conjunction with cleaning equipment, such as Foamers, sprayers, scrubbers, drier machines etc... Green Concepts 25 is safer to use on concrete, vinyl floor coverings, terrazzo, quarry tile, plastic, ceramics, rubber, glass, enamel, Formica, stainless steel, painted, varnished and other surfaces. It is not recommended, however, on Marble, Limestone and other natural stone surfaces due the mineral deposits present. Green Concepts 1 All Purpose Cleaner is better suited for those surfaces.
